

**Request for Proposal for a late model used CAT 816 or approved equivalent Landfill Trash Compactor
RFP #WG17-22**

The Municipality of West Grey seeks qualified vendors to provide a price for a used CAT 816 or approved equivalent Landfill compactor.

The vendor must provide the following information:

- Make, model, age, engine hours and operating weight
- Service history report
- Copy of existing condition report along with recommended repairs and associated costs
- Pictures that will adequately show the current condition of the machine
- Warranty
- Vendors are allowed to submit multiple submissions

The vendor further agrees to allow the municipality with visual inspection and equipment demonstrating.

Vendors are asked to use their company letter head for the RFP submissions.

The lowest or any RFP submitted not necessarily accept by the Municipality of West Grey.

Questions with respect to this RFP shall be directed to the undersigned at 519-369-2200 ext. 227

RFP submissions will be received by the undersigned by **Friday, August 25 at 11:00am.**
