EXPLANATORY NOTE

This By-law applies only to those lands described as Lots 32-35 and Part Lot 36, Concession 3 WGR, Geographic Township of Normanby, Municipality of West Grey and shown as “subject lands” on Schedule “37D” affixed hereto.

The By-law is intended to correct the zoning of three properties by rezoning these lands collectively from ‘Open Space Exception’ (OS-110) Zone and ‘Natural Environment Exception (NE-110) Zone to ‘Open Space Exception with holding symbol’ (OS-110-h) Zone, ‘Natural Environment Exception with holding symbol’ (NE-110-h) Zone, ‘Rural Exception’ (A2-318) Zone and ‘Rural’ (A2) Zone.

The By-law has the effect of:

- (1) removing a zoning category that allows for a campground from a property that has never been nor intended to be used as a campground. The new ‘A2-318’ zoning would acknowledge the two detached dwellings and mobile home that exist on the property.
- (2) affixing a holding symbol on the existing ‘OS-110’ and ‘NE-110’ zoning of property that is zoned and used for campground use, as recommended by the Municipality. The current zoning permits 371 campsites on the property, although the campground has not been constructed to its full capacity. The Municipality requires the owner of the campground to enter into a Site Plan Agreement before any changes to the campground are made. Once the Site Plan Agreement has been registered, the holding symbol can be removed.

(3) rezone an existing telecommunications property as 'A2'.

The County of Grey Official Plan places the subject lands within the 'Rural' and 'Hazard Lands' land use designations.

The Council of the Municipality of West Grey has adopted this By-law and is now circulating it in accordance with Provincial Regulations.
