Pickup Change

All garbage & recycling **must** be at curbside by **7:00 a.m., visible & accessible**.
Due to unforeseen circumstances, **collection times may vary**.

Clear or transparent bags **must** be used for garbage (40 lb limit). 1 smaller coloured bag may be used to conceal any personal products. A West Grey tag **must** be attached to each garbage bag.
Recyclables, E-waste & Hazardous Waste **not accepted** in garbage.

Do not bag your recycling. Bagged recycling cannot be easily processed. Use the blue box or any tote. Plastic bags of all types are not accepted in the recycling bin.
All recycling materials must be clean & clear of all residue, otherwise contents will be rejected.

For complete lists & info, visit the Waste & Environment page at www.westgrey.com.

Congratulations to the patrons of West Grey for taking the time to recycle right. It has been brought to our attention by our service provider, Waste Management, that the contamination with the materials in the recycling bins at the West Grey Landfill sites has significantly been reduced resulting with more diversion. Thanks so much for taking the extra time to make a difference and enhance our Waste Management programs.
