From October 12 to 22, VOTE using your telephone or internet in the comfort of your home (or anywhere in the world) 24 hours per day, using a device of your choice! Paper ballots will not be used.

In early October, each voter will receive a personal voter notification letter containing information to access the voting system by internet or telephone. This letter includes:

- Your voter ID number
- Your unique voter PIN number
- The web address and telephone number for the voting system
- Important voting information, such as candidates running for office, location of help centres, legal requirements to vote and how to find more information.

Help Centres will be located in municipal facilities to promote the election or assist voters. At these facilities voters:

- Can be added to the Voters' List
- Receive assistance and clarification on the election process.
- Access a telephone or computer for voting
