The Municipality of West Grey has a pre-authorized tax payment plan available for its ratepayers. If you are interested in this payment option, please complete the following application and return it to our office. In order to take advantage of this payment option, your taxes must be current and up-to-date. **There can be no outstanding amounts owing.**

How It Works:

With your permission, your payments can be made automatically through your chequing account. Your payments are recorded automatically & individually on your bank statement or pass book.

Benefits:

It's a modern, easy method to make those recurring bill payments without the inconvenience of cheque writing and the increasing cost of postage or that trip to pay the bill.

Note: Please attach a specimen of a voided cheque to the application.

Payments will be withdrawn on the 15th of the month or the next working day.
