

**MUNICIPALITY OF WEST GREY**

**FENCE BONUS**

When an existing wire fence is replaced by a new wire fence with new posts and corner posts, as a result of road construction, and upon application to the Municipal Public Works Manager within one year after the completion of the road construction, the Township agrees to compensate the landowner \$8.00 per rod for erecting a new eight six (6) strand minimum high tensile fence, with a strength of 150,000 to 210,000 PSI of 12.5 gauge, Class III galvanized at a tension of 250 lbs., nominal wire, where fence has been removed, or

When an existing wire fence, has served for fifteen years or more, a wire fence bonus will also be paid to property owners constructing a wire fence as defined at a rate of \$4.00 per rod on wire fence constructed where there has been no road construction.

This by-law was passed \_\_\_\_\_ . Please call when new fence has been constructed.

MUNICIPALITY OF WEST GREY  
ROAD DEPARTMENT

Date \_\_\_\_\_

This is an agreement between \_\_\_\_\_,

Owner of Lot \_\_\_\_\_, Concession \_\_\_\_\_ in the Municipality of West Grey.

The above mentioned Land Owner agrees to allow the Road Department of West Grey to enter onto said property and remove trees, dirt, and/or fence line which exceeds (owners) property line \_\_\_\_\_ . The Municipality will then reshape fence line and back slope to conform with both Road and Property when road is constructed.

The Corporation agrees to compensate the landowner \$8.00 per rod for erecting a new 8" strand woven wire fence and new 6" posts (minimum) every rod (or equivalent 4 strand minimum high tensile fence) where fence has been removed.

If through inadvertence, the Municipality of West Grey encroaches on the property of the landowner, after final construction, \$1000.00 per acre will be paid to the landowner, as full compensation for such encroachment.

The fence must be erected and any claim for compensation must be made within one year of construction of road.

Refusal to sign renders the above offer null and void.
