Durham Thunder cats Snow Volley ball tournament

Town Hall Rentals

Jan.16 rentals

ARENA:

One of the sensor battery faucets stop working in the bathrooms and we had get a new unit.

Had some issue with the showers in the dressing rooms and had to get new parts for them.

We have started ice bookings for April. The Grey Bruce Highlanders has 21hour book for their try outs. They are down about 18 hours from last year. They said it was from OMHA ruling that they could only run 7 day try outs instead of a 14 day one.

The spring figure skating school has book 36 hour of ice time but may have to reduce their hours because Walkerton is running skating school this spring also.

Mount Forest Minor Hockey is running spring try out this year for the girl's hockey division for next fall. They have 16.5 hours book for their tryouts for the last week in April.

Canadian Rink services will be installing the Laser Leveling ice system on the Ice Resurfacer next week.

There was wind damage done to the sun cover on the back stop on B diamond. We will have to place the whole trap. The trap is quiet large so am thinking that we will divide the trap up in 3 section so that there is more eyelids to tie down instead of tying the large trap only around the outside.
