

- Expenditure on the hydro box, lights, new home plate, pitcher rubber and have someone line the foul lines and general maintenance is required before the ball diamond can be rented.
- D. Leifo suggested that once there is a commitment for the rental do the improvements then run an ad for casual worker for the summer
- D. Leifso also suggested having a ball day next year as a fundraiser for ball diamond improvements.

#### 5 year Capital Plan

- deferred to next board meeting on May 15<sup>th</sup>

#### Waste Disposal Quotes

- L. Thompson waiting for one more supplier to quote, then will provide board members with the quotes and then a decision will be made.

#### Telephone Service

- Ernie will contact Eh-tel regarding VOIP, cancellation policy, etc.

Motion: Moved by D. Leiso

Seconded by: E. Falkiner

That we go ahead with Eh-tel, cancel Bell and then review the telephone service for one year.

Carried

#### Furnace update/Thermostat

- Emke Schaab submitted an invoice on the work they did to make the 4 furnaces operational

Motion: Moved by E. Falkiner

Seconded by: J. Ledohowski

To pay the Emke Schaab invoice

Carried

- D. Ahrens provided a thermostat proposal of \$440/remote access, plus installation from Emke Schaab
- E. Falkiner provided a quote from Amazon of \$181/thermostat, noting that the manufacturer's price is \$100 less
- D. Ahrens suggested that we wait to ensure furnaces are working then proceed with remote access thermostats.

#### Shelving update

- Quotes are still coming in, will review with board members when quotes are received and a recommendation is prepared

#### Roof update

- D. Ahrens has not heard back from Jim Driedger, the painter. He will contact Jim once again.
