- 1) Minor Variance Application A04/17 – Part Lot 61, Concession 1 NDR, RP17R1416, Parts 1 & 2, former Township of Bentinck (Joseph & Carol Cacciapuoti – owners; Michael Champagne & Julie Kelly - applicants)

<b>File</b>	<b>Applicant</b>	<b>Decision</b>
<b>A03/17</b>	<b>Joseph &amp; Carol Cacciapuoti (owners) Michael Champagne &amp; Julie Kelly (applicants) (Former Township of Normanby)</b>	<b>GRANTED</b>

ATTENDANCE: Michael Champagne

The Secretary-Treasurer read the statutory requirements for the Public Meeting, and noted the purpose of the minor variance application is to seek relief from subsection 16.2.7 of West Grey Comprehensive Zoning Bylaw Number 37-2006, as amended, to increase the maximum square footage requirement for a proposed accessory structure (storage shed) from 86.1 square feet to 288' square feet, on lands described as Part Lot 61, Concession 1 NDR, former Township of Bentinck.

Written comments were received from the Grey County Planning & Development Department, Municipal Planner, and The Historic Saugeen Metis.

The Historic Saugeen Metis indicated by email that they have no objection or opposition to the proposed minor variance.

The Grey County Planning & Development Department indicated in a letter dated May 4, 2017 that Schedule B of the County Official Plan identifies a portion of the subject property as 'Aggregate Resource Area'. Policy 2.3.3(i), and because the cited location of the proposed storage shed falls outside this area, the subject application conforms to the above noted policy. County Transportation Services note that the lot in question is north of Meadows Drive and does not back onto the County road, and therefore, the County has no objections to the subject application. County planning staff have no further concerns with the subject application.

The Municipal Planner indicated in his Planning Report dated May 8, 2017 that the proposal passes the four tests of a Minor Variance listed in the Planning Act, being, that the minor variance maintains the intent and purpose of the Official Plan, maintains the intent and purpose of the Zoning Bylaw, is minor in nature, and represents an appropriate or desirable use of the land and buildings. As such, the request should be approved.

Michael Champagne noted he is in favour of the proposed minor variance.

COA 18/17 Moved by: Carol Lawrence Seconded by: Kevin Eccles

**Resolved that, Minor Variance Application A04/17 be approved, as the Committee is satisfied that the variance maintains the intent and purpose of the Grey County Official Plan, and Municipality of West Grey Comprehensive Zoning By-law Number 37-2006, as amended; is minor in nature; and represents an appropriate or desirable use of the lands and buildings.**

Committee Members: Attending members present. All yea. Carried.

#### 4. Other

- 1) Severance Application B02/2017 – Lot 4, Concession 9, former Township of Glenelg (Ron Torry – owner; Brian Milne - applicant)

The Clerk recounted that a public meeting was held on March 13, 2017 for severance applications B01/2017 and B02/2017 submitted by Ron Torry (owner) and Brian Milne (applicant). The Saugeen Valley Conservation Authority identified some shortcomings with the Environmental Impact Study (EIS) completed by a consultant hired by Mr. Torry, and a decision respecting the severance applications was deferred to provide an opportunity for the consultant to address the concerns of the SVCA.

The Clerk noted that Mr. Milne subsequently contacted him to request that severance application B02/2017 (house lot) be considered during today's meeting as the SVCA has indicated it can support B02/2017 prior to the EIS being completed for B01/2017, subject to a rezoning application being required as a condition of consent if B02/2017 is approved. The Clerk indicated the Municipal Planner supports the request to consider approving B02/2017, and mentioned that another zoning by-law amendment will be required to address any recommendations from the updated EIS and to also recognize the new lot created via B01/2017. Mr. Milne & Mr. Torry acknowledged the need for a second zoning bylaw amendment.

The Committee discussed why the SVCA can support B02/2017 prior to completion of the EIS, and not B01/2017. The Clerk indicated it is likely because B02/2017 has the existing dwelling.

Brian Milne noted the SVCA wants further details respecting B01/2017, and indicated the updated EIS may take until the Fall or Winter 2017 to be completed.

COA 19/17 Moved by: Doug Hutchinson Seconded by: Rebecca Hergert

**Resolved that, Severance Application B02/2017 be approved, subject to the conditions of the Municipality and Agencies.**

2) Proposed Re-scheduling of August 17, 2017 West Grey Committee of Adjustment Meeting

The Clerk informed Committee members that he will be on vacation the week of August 14-18, 2017, and therefore requested the meeting be re-scheduled to August 9, 2017, 1:00 p.m.

COA 16/17 Moved by: Rob Thompson Seconded by: Doug Hutchinson

2. Erwin Arthur

The Clerk reported receiving a letter from Erwin Arthur requesting a refund of \$1,120 for severance application B02/2015 on lands described as Part Lot 72, Concession 2, former Township of Normanby, that he submitted in 2015, as both the Clerk and the Municipal Planner missed noting during a pre-consultation with Mr. Arthur that the subject property contained an Aggregate Resource Area constraint in the County of Grey Official Plan. As a result, the proposed severance for a non-farm lot was not supported by the Committee of Adjustment, as the County of Grey does not permit the creation of non-farm lots on a property having an Aggregate Resource Area constraint.

COA 20/17 Moved by: Kevin Eccles Seconded by: Rebecca Hergert

**Resolved that, the Committee of Adjustment hereby recommends Council approve a refund in the amount of \$1,120.00 to Erwin Arthur respecting severance application B02/2015, due to an oversight by municipal staff during the preliminary pre-consultation process.**

Committee Members: Attending members present. All yea.  
Carried.
