Hi Mark,

As per our conversation, here is my email in regards to the OPLW.

We would like to ask Council to recognize October 14-20 as Ontario Library Week...or maybe the wording should be "declare"

"October is **Canadian Library Month!** During this month, libraries and library partners across Canada raise awareness of the valuable role libraries play in Canadians' lives."

Ontario Public Library Week, is October 14th - 20th, and once again **A Visit Will Get You Thinking** is the theme.

An annual fall event, Ontario Public Library Week was first announced by the province in 1985 and has since become the focus for promoting public library services in Ontario.

A strong library system is the cornerstone of a strong community. Ontario Public Library Week recognizes the important contribution Ontario's public libraries make to education, literacy and life-long learning in Ontario communities.

Dear Mayor Eccles:

Thank you for taking time out of your day to meet with me.

I was intrigued with your recycling made easy campaign. Thank you for your hard work encouraging recycling within your community.

I encourage you to keep pursuing new and innovative ideas. Your commitment to cleaning and preserving the community aligns with our government's values. If we all do our part, we can make a better future for the next generation.

Once again, thank you for taking time to meet with me at AMO.
