Summer Art Fun

Mechanical Mashup - \$30

Thursday, July 19, 2018 from 9am-3pm

Ages 8 to 14

Participants will learn about the 6 basic machines that we use every day, the Lever, Inclined Plane, Wedge, Wheel and Axle, Pulley and Screw. They will identify these simple machines and create hands on models.

Using these concepts they will develop a compound machine in the style of inventor Rube Goldberg that will perform some fantastical feat such as feed the dog or ring a bell.

Printmaking for Kids - \$90

Mon. July 23 - Wed. July 25 from 9am-3pm

Ages 8 to 12

A hands on course following the development of the art of Printmaking. From simple stamping techniques to exploring how new technologies can be used for artistic purposes. Through creating multiple images participants will learn how to make their own cards and T shirt designs.

Slime Fest - \$30

Thursday, August 9, 2018 from 9am-3pm

Ages 8 to 13

A workshop for discovering and sharing the most ultimate slime recipes. Using nontoxic household ingredients we will experiment with several slime concoctions adding colour, glitter and even a magnetic element. Popular slime making videos will also be view for inspiration and ideas.

Sketch and Hike - \$150

Mon. August 13 - Fri. August 17 from 9am-3pm

Ages 6 to 12

This summer program will focus on using pencil, chalk and oil pastels to create observational drawings of plant life, animals and portraits using traditional and contemporary styles. The morning will be spent on developing drawing skills in and around the Art Gallery and the afternoon at the Durham conservation area drawing and enjoying access to trails.
