

Mayor's Message

As I write this short greeting to you, the residents of West Grey, another Canada Day has passed. We continue to proudly celebrate being Canadians, and living in the best country. We have become the envy of the rest of the world!

The Ayton-Normanby Homecoming celebrations have just finished as well. The weather put a damper on the opening parade and ceremonies, but Mother Nature could not dampen the spirits of the weekend. Congratulations to all the volunteers who worked so hard planning and preparing for this event. It takes an entire community to make this kind of an event a success. West Grey certainly has the recipe for bringing everyone home to the area to celebrate

and reunite.

We have been celebrating in and around the office as some staff have, or are about to retire since the last issue of our newsletter. Ken Gould has retired, and we wish him well on his new adventures. Brent Glasier has taken over and is committed to delivering the loyal and dedicated service that residents have come to expect. Police Chief Berger will be officially retired on August 31st, with a new Chief to be hired in his place by the end of the year.

The only constant is change. Each day the sun comes up; it looks on a world that's different than the day before. Embrace it, it is a good thing!

... Mayor Kevin Eccles

Illegal garbage dumping creates eyesores on our streets, rural roads and destroys the ambience of our community. By-law # 68-2015 prohibits the dumping of refuse or debris within West Grey. Anyone witnessing illegal garbage dumping is encouraged to call Police Dispatch at 519-371-6911, providing as much detail as possible including exact location, vehicle description and licence plate number and suspect description.

residents should ensure their load is secure, as they can be charged under the Highway Traffic Act.

Garbage containers that are in place in the urban areas are for general public usage to dispose of miscellaneous litter when passing by them. They are not for your own personal household garbage. Please use curb side pickup provided to you.

West Grey thanks the many Adopt-a-Road volunteers, individuals or group volunteers & service clubs, providing cleanup of our parks & roadsides: Thank you for volunteering to keep West Grey **"Nestled In Nature"**.

To eliminate refuse on roadways when travelling to the landfill site,

Pay Bills Any Time of the Day!

Add **West Grey Taxes** or **West Grey
Water** to your payee list for Telebanking
or Online Banking. Include all digits of your
account number. For multiple properties,
payments must be submitted individually.

West Grey Library board is pleased to be moving to a new home for its Durham branch! The new

building, being all on one floor, is a big step toward serving a

broader public with enhanced accessibility. Its bright and open design will allow us to use the space in multifaceted ways. Its proximity to the highway will maintain good visibility for visitors and newcomers. We have enjoyed a public library in Durham for over a hundred years! In that time the role of the library has evolved and broadened. We are a gathering space. We are not only providers of information, but we also assist in the selection of information, for life skills and entertainment. We are home to cultural stories from a huge spectrum of voices.

With the move to a new building this fall, we have the opportunity to redefine and enliven our efforts to draw more voices into the circle. Get involved! There are many ways: volunteer, join the Friends of the Library... But most of all, read! Please stay in touch for updates.
