2017 marks Canada's 150th. A multitude of events have been scheduled across the country.

Not to be outdone, numerous activities have taken place & will continue to take place within West Grey, giving everyone the opportunity to participate in the celebrations. Over 20,000 attended the Airshow at our shared Saugeen Municipal Airport facility, with a fantastic

exhibit of flying by the Canadian Forces Snowbirds. Many of the activities remind us of our local history and the part our families have played in the making of this community. We live in a wonderful country envied by many and I was not surprised to see this echoed in the outward display of pride and patriotism shown by West Grey businesses and residents alike by decorating with red and white. Happy Canada 150 to all!
