SEE SCHEDULE 27

Regulated Area: The Regulated Area is the area bounded by the Regulation Limit which includes all of the cross hatched area and overlays. Development within the Regulated Area may require written permission from the SVCA prior to the commencement of any such activity. Development can include the following, but not limited to, construction, reconstruction, site grading, filling or excavation. For permit information, accurate location of the floodplain and the limits of the Regulated Area, refer to the Saugeen Valley Conservation Authority.
